CE/R&B and IT/No.1/2010-11

Date 17-04-2010

Circular no:2

The software for computerised **Project Management** is developed in PWD and incorporated in the new PWD website which was inaugurated on 24-7-2009 by the Chief Minister of Kerala. The training for Project Management implementation has already been conducted during November 2008 and February 2009 along with the training for **e-tendering**. The names of the participants are published in the proceeding no:PWD/IT/WINGS/Training/2009 dated 17-04-2010.

It is decided to monitor the monthly progress of the works in Kerala PWD through the Project Management System from this financial year onwards. Many users have already been started entering the data in Project Management System. For the implementation of the above System in the entire department, the details of all the projects are to be entered in the project module, tender module and asset module of the system. All the users have to make entries in the PWD Website about the details of the project under their concerned jurisdiction. Hence you are requested to give direction to all officers under your wing to make necessary entries in the concerned modules in the website immediately so as to monitor progress and take progress reports from this office from April 2010 onwards. The circular may please be acknowledged.
