Meeting started at 4.15 P.M. Various aspects of construction of new bridges as regulators cum bridges were discussed in detail. Based on these, the following decisions were taken in the meeting.

1. Chief Engineer (Roads & Bridges) will furnish the list of bridges proposed to be taken up in the current financial year that are included in the budget and different other schemes.
2. The Chief Engineer ( Irrigation and Administration) with the help of other Chief Engineers and Executive Engineers will inspect the new bridge sites and ensure the feasibility of converting the bridge as a regulator cum bridge.
3. The Executive Engineers of Roads and Bridges of PWD will provide necessary investigation, hydrological and field details of the proposed bridges. He personally shall also assist the team of Engineers of Irrigation Department.
4. These activities shall be completed by the next meeting.
5. Next meeting of the Committee will be held on 2<sup>nd</sup> May 2013 at 4. P.M

Meeting concluded at 5.00 P.M
