Sir,

Sub:- Carrying out works in PWD roads by other departmental agencies – Norms and standardization of rate for carrying out works

Ref: GO(Rt) No. 68/2012/PWD dated 28-09-2012

Consequent to the revision of Schedule of rates in Public works Department with effect from 01/10/2012 the rates for restoration to be levied on other departments, private individuals firms other than PWD are revised and fixed. The above rates are inclusive of Centage charges, anticipated tender excess etc and are as follows:

- | | |
|--|---------------------------|
| 1) Roads having Black topped surface | - Rs. 1521/M ² |
| 2) Roads having WBM surface | - Rs.964/M ² |
| 3) Earthen roads and Berms restoration | - Rs.161/M ² |

The restoration charges for roads having BM & BC / BM & AC may be adopted as the same rates approved by the Chief Engineer (NH). The letter dated 14-03-2012 is modified here with

Yours Faithfully

For Chief Engineer
