### **Contract Management & Dispute Resolutions in Engineering Projects**

09 - 13 May, 2016

Dear Sir,

We are glad to inform that Engineering Staff College of India (ESCI) is organizing a 5 - day training programme on **"Contract Management & Dispute Resolutions in Engineering Projects"** from **09 - 13 May, 2016** at ESCI Campus Gachibowli, Hyderabad.

Because of increase in problems in Contract Management, specifically in infrastructure, projects are subjected to time and cost over runs. In this situation, it is necessary to analyze and solve these disputes effectively. Proper contract documentation and management reduces the burden of these disputes. Keeping these points in view, ESCI has designed this programme.

Faculty for this programme will consist of eminent speakers from Industry and Practitioners.

The course fee for this 5-day programme is Rs. 25,000/- (Rupees Twenty Five Thousand Only) per participant, which is fully residential. Other details of the course are explained in the enclosed brochure. The course fee is to be paid in favour of "IE (I) - Engineering Staff College of India" in the form of demand draft payable at Hyderabad. Service Tax as applicable (FY 2015 - 16 @ 14.5%) is to be paid extra to the ESCI by the concerned sponsoring organization.

Engineers / Managers who are in the field of execution of projects (Major and Minor) including infrastructure projects of your organization can participate in the programme and take the opportunity to interact with the speakers and other participants coming from all over India.

## INTRODUCTION

Contract Management being one of the vital components in any Project needs adequate attention. Because of the involvement of several stake holders, different types of contracts and conditions have made this task more complex. The projects are being subjected to time and cost overruns because of continuous issues and disputes arising in the projects. Courts are flooded with cases and it is taking a long time to settle these disputes. Disputes lead to enormous loss to the entrepreneurs as well as the clients. In this scenario, it is necessary to understand, minimize and resolve these disputes. Proper Contract Documentation and Management can reduce the burden of claims.

World Bank Conditions, FIDIC and other forms of Contracts have been levying penalties for delay in completion and paying Bonus for early completions. Project Management is invariably taking all steps for effective Contract Management. The old forms of contracts are getting replaced with modern formats such as Build Own Transfer Family Contracts, Turnkey Contracts, EPC Contracts, Build and Design etc. The practicing professionals shall be familiar with the new mechanisms / techniques, so as to manage projects in the present scenario. It is in this context, ESCI is organizing 5-day training programme on "Contract Management & Dispute Resolution in Engineering Projects".

## OBJECTIVES

- To familiarize participants with "The Indian Contract Act 1872" and "The Arbitration & Conciliation Act 1996"
- To explain a Dispute, and procedure to be followed to resolve disputes
- To describe various alternative dispute resolution mechanisms such as Arbitration, Conciliation, Dispute Resolution Boards etc

## COURSE COVERAGE

- Law of Contracts – Concept
- Types of Contracts
- Contract Management
  - Bidding Process
  - Receiving Tenders
  - Negotiation
  - Award of Contract
  - Agreement Conditions
  - Bid Conditions for State & World Bank Projects
- Performance of Contract
  - Contractual Obligations
    - Owner
    - Contractor
  - Interpretation of Agreement Conditions
  - Legal Provisions for Penal Actions
  - Compensation for Deviation
- Disputes & Claims
- Arbitration
  - Principles of Arbitration
  - Arbitral Proceedings
  - Legal Aspects on Arbitration

## METHODOLOGY

The programme will be conducted in an interactive environment providing greater scope for discussions. Emphasis will be on a highly participative style. Every participant will be given study material.

## TARGET PARTICIPANTS

Programme will be useful for Engineers / Managers who are in the field of execution of projects (Major/Minor) including Infrastructure Projects from State and Central Government Departments, Corporate Sector and Private Construction Companies.

## BENEFIT TO THE PARTICIPANTS

- Participants are benefited from understanding the new formats of contracts such as BOT contracts, Turnkey contracts, EPC contracts, DBFO contracts etc
- Participants are benefited through better understanding "The Indian Contract Act 1872" and "The Arbitration & Conciliation Act 1996"
- Case studies are discussed during the training period.

## RESOURCE PERSONS

Renowned persons from Industry who are experts in the area of Contract Management and Dispute Resolution

## PROGRAMME VENUE & DATES & TIMINGS

**Venue :** Engineering Staff College of India (ESCI) Campus, Old Bombay Road, Gachhi Bowli, Hyderabad-500032.

**Dates :** 09 – 13 May, 2016

**Timings :** On the first day Registration will commence at 0900 hrs 9th May, 2016. On all other days, the programme timings will be from 0945 - 1715 hrs with breaks in between for tea and lunch.

## COURSE DIRECTOR/ COORDINATOR

**K.Muralidhar**  
Sr. Faculty and Head I/C, CTE Division

## COURSE ADVISOR
