Sub : Training Programme on Use of Fly Ash and Blended Cements for Durable Concrete
to be held at NCB-Ballabgarh from 19-21 July 2016

CALL FOR NOMINATIONS

Dear Sir/Madam

NCB's Centre for Continuing Education Services (CCE) is organizing a three-day Training Programme on **Use of Fly Ash and Blended Cements for Durable Concrete** at our Ballabgarh Unit commencing from 19-21 July 2016.

The course aims at imparting knowledge on collection, transportation and quality parameters of fly ash, blended cements and their use in construction industry. It is designed for civil engineers, builders, contractors, fly ash generators, brick manufacturers, concrete technologists. A brief note setting out the course contents, venue, fee etc is enclosed for your perusal. The programme will bring together the professionals of various organizations from all over the country to share their experience and exchange of ideas.

We hope you will find the programme beneficial and nominate as many participants as possible from your esteemed organization. Please send us the nominations well in advance, preferably before **12 July 2016**, by returning the enclosed enrolment form duly completed, as it will help us to plan and conduct the programme in the best possible manner.

Thanking you and assuring you of our best services.

Yours faithfully

For National Council for Cement and Building Materials

S Agarwal
Head of Centre
