Name of Country : India

Name of Project Services : **Kerala State Transport Project (KSTP) – II.**
Expression of Interest (EOI) for selection of Consultancy for Community Participatory Road Safety and Asset Management Safeguard Program (CPRSASP)

The Government of Kerala (GoK) through Government of India (GoI) had obtained a loan from IBRD towards cost of Kerala State Transport Project –II (KSTP-II). The Project aims to upgrade 363 km of road sections, Road Safety Management and Institutional Strengthening in PWD. The Government of Kerala intends to apply a portion of this loan to making payments for Consultancy Services for carrying out tasks indicated in this assignment.

The *Community Participatory Road Safety and Asset Safeguard Program (CPRSASP)* is a bottom-up approach towards engaging and empowering the local communities to develop customized solutions for implementation of road safety, post-crash interventions, beautification and maintenance of roads and roadside amenities. The process involves public consultation, consensus development and customization of standard road safety practices with the objective to build a safe and clean road environment.

The KSTP intend to commission a firm to render the services and invites eligible consultants to indicate their interest in providing the services. Interested consultants may provide information indicating that they are qualified to perform the above services, such as brochures, descriptions of similar assignments and experience in similar condition, availability of appropriate skills among staff etc. Consultants may associate with other firms in the form of a joint venture or a sub consultancy to enhance their qualification and skill.

Consultant will be selected in accordance with the procedure set out in the World Bank's guidelines "Selection and Employment of Consultants by Bank Borrowers" of January 2011. The procedure for selection shall be quality and cost based selection.

Interested consultants may obtain further information at the address below:
